Boys Cricket Sapsasa State Carnival

Division 3 Information

Venue sign in

Team officials must sign in with the division convenor as soon as they arrive each day and make themselves aware of any venue specific requirements.

Equipment collection

Team packs, which include balls, scorebook and certificates will be available to collect from the School Sport SA office on 13 November or they can be collected at the division convenor at St Clair from 7:30am on Tuesday 14 November.

District supplied equipment

All teams are to supply a set of cones for marking boundaries and a set of portable stumps (supplied by School Sport SA and SACA in 2019). The team playing on that same oval for the Tuesday PM match should set up the Tuesday AM match.

Changing Ends

Bowling ends will change after every 5th Over (T20) and every 6th Over (36-over matches) rather than changing ends after every over.

Team manager/sideline official

Each team is required to have a team manager/sideline official (see attached document) to ensure supervision when the coach/manager is umpiring. The sideline official can be the teacher coach/manager but then an umpire must be supplied each day.

Merchandise

State Carnival Cricket merchandise can be pre-ordered via the following link:

<https://viva10.myshopify.com/collections/cricket>

Pre-ordered items will be available at each hub via the Division Convenor.
